- **Canning Town.** [REDACTED]
- **Romford Market.** [REDACTED]

See front counter or consult iBus for toilet codes as they may change.

### • CODE RED | EMERGENCY RADIO PROCEDURE

If you require the Emergency Services to attend your vehicle (for example in the event of passenger injury, assault or major RTA), you should contact CentreComm using the radio's Code Red facility. To call CentreComm, **hold down the Code Red button on your vehicle's radio for at least 1 second** until you hear a ringing tone to indicate that your call has been connected. Hold down the foot switch in the cab when you are speaking, and end what you have to say with the word "over" to indicate that you expect a response, or "over and out" if this is the end of your communication. Release the foot switch when you are not speaking. Remember to speak slowly and clearly. Note that you will usually receive a radio call from your depot shortly after you make a Code Red call. **You should not use the radio whilst the vehicle is in motion.**

**CODE  
GREEN**

Call your garage for non-emergency, mechanical defects, help or advise

**CODE  
BLUE**

Call CentreComm for non-emergency, incident reporting or diversions

**CODE  
RED**

Call CentreComm for emergency services, passenger injury or assault
