1) NOTES

Proposed Changes:

At this time, no changes are proposed to the existing service for introduction prior to the commencement of the new Route Agreement for Route No. 186.

Tenderers should note that the following alterations (subject to consultation) are proposed as part of this Service Specification for introduction with the new Route Agreement:

- 87 capacity, dual door, double deck vehicles are specified, subject to a satisfactory route test.
- Route No. 186 will operate end to end between Northwick Park Hospital, East Road and Brent Cross Shopping Centre, Bus Station. The short leg between Northwick Park Hospital and Edgware Bus Station is withdrawn.
- The set down and pickup point within the Northwick Park Hospital grounds will be relocated to stop HW which is by the main entrance of St Mark's Hospital. A new live bus stand for 2 buses will be installed.
- Mondays to Saturdays daytime frequencies are increased from every 20 minutes to every 12 minutes. However, the frequency increase will only apply to the section between Edgware Bus Station and Brent Cross Shopping Centre, Bus Station. The withdrawal of the short leg between Northwick Park Hospital and Edgware Bus Station results in a frequency reduction from every 10 minutes (this is the combined frequency of both legs) to every 12 minutes over this section.
- Evening frequencies are increased from every 30 minutes to every 20 minutes.
