More Buses on Route 15 to serve the Tower of London and new Route 15A to run via Bank

FROM 18th MAY 1985

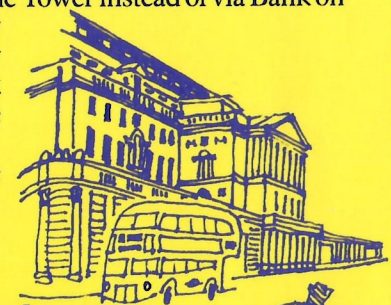

Long famous for linking London's East End and the Ladbroke Grove area with the West End stores and entertainments, Route 15 will soon be covering even more ground.

New routes - new numbers

From May 18th, to cater for the greater number of visitors travelling to the Tower of London, more buses will run via the Tower instead of via Bank on Mondays to Fridays and all buses will go by way of the Tower at weekends. To help you identify which are which, we've renumbered the Bank buses 15A and retained the number 15 for those running via the Tower. And since the new 15

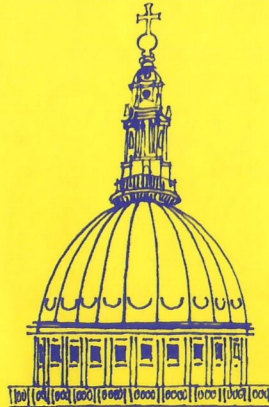

duplicates the route of Bus 23, that number will no longer be used.

Plenty in store

To remind you of some of the many useful ports of call along Routes 15 and 15A, let's run through a few.

First, there are places of interest - ideal for a day out with the family. We've mentioned the Tower of London but there's also St. Paul's Cathedral,

Trafalgar Square, Piccadilly Circus and Marble Arch – just right for a stroll in Hyde Park.

Then, there are some of London's most famous West End shopping streets – Oxford Street, Regent Street and The Strand – there's hardly a single item for yourself or for your home that you couldn't find there!

Even when the shops are closed, you can still look forward to an exciting evening out in the West End. You'll find an unrivalled selection of theatres, cinemas and restaurants, and a night bus ready to ferry you home if you're too late for the last 15 or 15A. From Trafalgar Square there's the N95 to Commercial Road and East Ham, and the new N50 to Ladbrooke Grove.

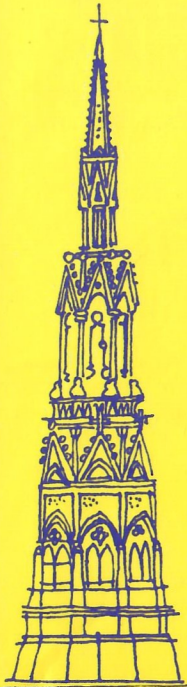

A useful service at useful times

Bus 15, via the Tower, will run every 8 minutes during Monday to Friday rush hours, every 6 to 7 minutes between the peaks over the Paddington to Aldgate section, and every 13 to 14 minutes over the rest of the route. In the evenings, it will run every 20 minutes. There will be a 6 minute

service during the day on Saturdays and a 10 minute service, early mornings and evenings and all day Sunday. The Sunday extension beyond Ladbrooke Grove to East Acton will continue to run at 20 minute intervals.

Bus 15A, via Bank, will run every 6 to 7 minutes during Monday to Friday peak periods, every 13 to 14 minutes between the peaks and every 20 minutes in the evening.

As far as possible the times of the 15 and 15A will be integrated over common sections of route to provide a bus to Ladbrooke Grove and East Ham every 6 to 7 minutes between the peaks and every 10 minutes in the evening on Mondays to Fridays.
